

Mailboxes should conform to the look of pre-existing mailboxes in the neighborhood. If residents wish, the black-locking type mailbox is acceptable.

For replacements, residents may contact the mailbox manufacturer, Brandon Industries at 1-800-247-1274 and indicate you are from Castle Hill Estates in Burluson to obtain the correct replacement mailbox.

The HOA Board has also approved the following mailboxes from Home Depot:

#### Regular Mailbox
